Chairman

STAT

SUBJECT: Representation on the Physical Security Working Group

1. The Physical Security Working Group (PSWG), a subelement of this Committee, had its organization meeting on 11 May 1983. [Redacted] is the CIA representative and attended the meeting.

STAT

2. The Working Group will review physical security practices and recommend policy. Among the areas of their interest will be the accreditation of Sensitive Compartmented Information Facilities (SCIFs). Because of the responsibilities of the CIA Special Security Center (SSC) in the SCI area, the SSC may be interested in the activities of this Working Group. Accordingly, you may wish to appoint an Observer from the SSC to attend PSWG meetings. Please advise and identify your representative if you choose to participate.
